Get an opportunity to work with unique items each day creating and restoring beautiful pieces of jewelry. Developing your jewelry skills into refined craftsmanship allows for daily improvement and pride in your work.

Come see why our employees have been with us for over 50 years!

## JOB OPENING

Jewel-Craft is looking to add a jeweler to its established team of jewelry manufacturing, design, and repair specialists.

Join this experienced team dedicated to providing high-end craftsmanship for our customers. Learn why Jewel-Craft has employees celebrating over 50 years at the company.

The “Jeweler” position is open to both experienced and entry-level candidates. Their brand-new training facility allows for new employees to expand their knowledge of jewelry and learn what makes Jewel-Craft so unique.

A Slice of HR is working with this client on a retained search basis. If you meet the qualifications and are interested in learning more, please send your resume to [katie@asliceofhr.com](mailto:katie@asliceofhr.com).

Jewel-Craft is looking to hire an experienced jeweler with a specialty in one or a variety of jewelry duties. With their newly-built training facility, you'll be able to build on those skills and learn new ones that will make you a more well-rounded jeweler.

Jewel-Craft is a family-owned business, so when they say that they treat you like family, they actually mean it! Some of their employees have been on staff for over 50 years carrying on the tradition laid out by founder Earl Wesdorp back in 1947.

Join a team where each day is a new adventure. From precious family heirlooms to exciting, modern designs, you'll be amazed at the pieces of art that you get the opportunity to create, repair, or restore.

A Slice of HR is working with this client on a retained search basis. If you meet the qualifications and are interested in learning more, please send your resume to [katie@asliceofhr.com](mailto:katie@asliceofhr.com).

## NOW HIRING

Jewel-Craft is looking to fill its opening for a "Jeweler" to join its team of experienced jewelry professionals. Join a company jam-packed with legitimate advancement opportunities, fantastic health benefits, and a \$2,000 sign-on bonus!

Get in on this family-owned business that treats its employees like family (because a lot of them are!). You'll get to learn from industry professionals who have been crafting beautiful works of art for over 50 years.

Jewel-Craft recently constructed a state-of-the-art training facility, which means that you don't need years of experience as a jeweler. We will train you to work on various specialties within the jewelry-making process.

A Slice of HR is working with this client on a retained search basis. If you meet the qualifications and are interested in learning more, please send your resume to [katie@asliceofhr.com](mailto:katie@asliceofhr.com).
