

Holly Hill | Child & Family Solutions – **Clinical Supervisor (\$1,500 Hiring Bonus)**

Position Overview

Are you passionate about changing lives on a daily basis? Our client, **Holly Hill Child & Family Solutions** is looking to hire a **Clinical Supervisor** to join their mission driven team at their scenic **California, KY** location. Holly Hill Child & Family Solutions is a private, non-profit community based organization that strengthens the lives of children through its programs and services.

The Clinical Supervisor serves to direct, coordinate and deliver outstanding clinical care and services in the Residential Program. The ideal candidate will demonstrate the ability to weave empathy and compassion into all day to day interactions with staff and clients. A strong drive to lead a team, implement vision, and grow relationships is essential for success in this position.

Are you a passionate clinical advocate eager to join a collaborative and mission driven team? If so, let's talk!

Key Responsibilities

- Ensure all members of the clinical treatment team providing therapeutic services are professionally and effectively supervised
- Handle a therapy caseload as needed
- Oversee all legal requirements and assess potential risks related to the provision of Residential Services programs to align services with Holly Hill risk management policies
- Manage and support staff in line with Holly Hill and Kentucky state policies
- Ensure that responsible financial decisions are made within the respective departments
- Ensure both internal and external communications are formulated in a way that promotes successful clinical care operations.

Requirements

- Master's Degree and independent Kentucky licensure in social work, counseling, psychology, or marriage and family therapy, with the ability to supervise
- Meet Medicaid requirement for Behavioral Health Professional (BHP)
- LPCC-S or LCSW with supervisory training completed, in-progress, or eligible to complete
- Be in good standing with the respective Kentucky licensing board and can provide supervision toward licensure of employees
- Participate in rotation for 24-hour clinical on-call coverage
- Must be kind, patient, reliable and dedicated to making a positive difference in the lives of the adolescents being served

Desired Attributes

- Four years of experience working with children and/or families preferred
- Managerial experience preferred
- Prior experience providing Medicaid funded services
- Embodies trauma-informed care practices in both direct and indirect services

Benefits & How to Apply

Benefits include a competitive base salary, being part of a growing company, as well as a competitive and comprehensive benefits package including 401(k), healthcare coverage, dental, vision, group life & AD&D, and long-term disability coverage.

A Slice of HR is working with this client on a retained search basis. If you meet the qualifications and want to join this team of talented individuals please send your resume to **merissa@asliceofhr.com**.
